COMMONWEALTH GAMES

I am very happy to report that following my extensive engagements with Commonwealth Games Federation (CGF) members and the final presentation to the CGF Sports Committee in London on the 7th June 2010, our sport of Tenpin Bowling has been approved as a Category 2 sport.

By becoming a Category 2 sport Tenpin Bowling is now eligible for inclusion in their official programme by perspective candidate cities for the Commonwealth Games.

The Commonwealth Games is highly regarded multi-sport major Games. Our inclusion is a much needed step-up as we continue with our quest towards the Olympic arches.

Yours in Bowling,

Jessie Phua
